

MEET MIXOLOGIST **DOROTHY ELIZABETH**

Dorothy studied chemical engineering at the University of Michigan. She is known for using modern laboratory techniques behind the bar. Dorothy was inducted into the 2017 Dame Hall of Fame for Tales of the Cocktail and a 2016 Eater Young Gun. She was also ranked one of the top 5 people to know in the NYC cocktail scene. She currently works for Mace in NYC and is a Dean for Applied Science for Portland Cocktail Week. Dorothy's cocktails can be followed on her Instagram @sippingscience.
